## SPEECH OF SANTIAGO DEL TEIDE MAYOR. -

As Mayor I can see the sport in the municipality has grown exponentially in the last times. It's a source of pride and great satisfaction. But is does more the rise of minority sports in terms of followers as it happens with the Vovinam Viet Vo Dao to which from the City Hall we have supported at all the times like other sports.

For this reason, welcoming in our locality the next July 1st and 2nd the European Junior Vovinam Viet Vo Dao Championship is a great boost not only at a sporting level but also a tourist level since more than 300 athletes will meet in our municipality with all that it entails.

I can only wish the best of luck to the competitors and hope that your stay in our town is as pleasant as possible and you have a great memory.

Good luck to all.

Emilio Navarro

## SPEECH OF SANTIAGO DEL TEIDE SPORT COUNCIL. -

Get that a municipality like Santiago del Teide can host an European Vovinam Viet Vo Dao Junior Championship it's amazing news but, at the same time, a big responsibility because we want to give a great perception to all the athletes and their families.

But these challenges are what we must face in order to continue growing as a municipality as hosts from different sports for what I want from here to thank to the highest European Board of Vovinam have chosen the candidacy of Santiago del Teide to host this European event.

In addition, the appointment is accompanied for holding the Annual European Seminar and the grade exam session for masters and instructors, during the days 29th and 30th of June as a prelude of the mentioned championship, so the challenge is double.

We hope to be at the championship level of this size and we encourage fans from all over the Tenerife Island to go to our sports center "Pancracio Socas García" and enjoy a few days of the best European Vovinam.

Juan Carlos González

# WELCOME SPEECHES

## SPEECH OF EVVF PRESIDENT .-

The Spanish island of Tenerife in the Canary Archipelago is the historical place where the story of EVVF began, with the first visit of Great Master Nguyễn Văn Chiêu in 1997.

Tenerife was the venue of the first European Vovinam Championship in Puerto de la Cruz, in 2004, followed by the first EVVF European Championship in 2010. Also, in Tenerife, in Santiago del Teide, thanks to the kindness and help of Mayor of the town, Mr. Emilio Navarro and the municipality, the Annual Technical Seminar of the EVVF was organized in 2018, along with commemorative ceremonies, referees seminar and belts examinations.

Through its history Tenerife is a famous place for the European Vovinam, a perfect place for such an important competition, 4th EVVF European Vovinam Junior Championship and the restarting of our international competitions and activities.

The dedicated and passionate Vovinam Canarias team, headed by Master Pedro González, President of Vovinam Association of Spain, always helped by Master Juan Cid and Master Miguel Díaz, includes Juan Celestino Miranda, Secretary General Vovinam Spain, professors Inmaculada López, Sergio Farrais and Ovidio Pérez and also Sergio Suárez and Eduardo Miranda teachers in Santiago del Teide. They make a great effort every time to achieve the best experience for all.

Also a touristic paradise, Tenerife is a place that children and our junior students have to get knowing and where older practitioners enjoy returning, a wonderful place for a well-deserved vacation for all children, parents and coaches.

I wish everyone success in preparation of this great event.

Florin Macovei

# WELCOME SPEECHES

## SPEECH OF EVVF GENERAL SECRETARY .-

Dear EVVF Members,

How exciting to be back, in just a short few months, in the sun and on the beaches of Canary Islands! This will be the third of our European events hosted by the Spanish Vovinam Viet Vo Dao Association. After the resounding success of the 1<sup>st</sup> EVVF European Vovinam Championships in 2010 and the 5<sup>th</sup> EVVF Seminar in 2018, our friends from the Spanish Vovinam Viet Vo Dao Association will be hosting this time the 4<sup>th</sup> EVVF European Vovinam Junior Championships, in the municipality of Santiago del Teide - Tenerife - from the 30<sup>th</sup> of June to the 2<sup>nd</sup> of July 2023.

This year is also very special for our school, as it marks the 85<sup>th</sup> Anniversary of the establishment and development of Vovinam (1938-2023). On behalf of the European Vovinam Viet Vo Dao Federation, I invite and encourage everyone to take part in these championships, to watch and encourage our young talent who will showcase this summer, on the beautiful island of Tenerife, the result of their long and rigorous training. Vovinam - and of course sport in general - is amazing to help children and teenagers stay in good physical and mental health, but also develop social skills along with other valuable life skills such as self-confidence, commitment, teamwork, leadership, and fair play. I am sure this year again the championships will provide us with a very impressive spectacle in both team and individual events.

I would like to express my gratitude to all the members of the Spanish Vovinam Viet Vo Dao Association and the municipality of Santiago del Teide for hosting this third event and for their relentless promotion of Vovinam in Spain.

Let me conclude by wishing all participating officials, coaches, athletes, administrators, referees, volunteers and supporters a very memorable and joyful occasion and thanking all of you for your contribution to the success of these championships.

Thanh Nha Berrier

# HOST VILLAGE

## SANTIAGO DEL TEIDE. -

The weather is stable all year around, which the beauty of its landscapes and the pleasant temperature of the water, making Santiago del Teide a great place to spend time in the countryside and by the sea.

Up in the higher parts of the municipality, the scenery reveals a contrast between volcanic landscapes, vineyards, almond and fig trees. The Chinyero volcano, in the Special Nature Reserve of El Chinyero, was responsible for the Island's latest eruption, which took place in 1909.

The cliffs of Los Gigantes, towering as high as 600 meters (1.970 feet) above sea level, are also at Santiago del Teide. The municipality has other attractions provided by the sea. There are boats leaving every day from the marina to take visitors whale and dolphin watching just a few miles out. In the coast, the beach of La Arena is one of the loveliest on the Island.

# HOST ISLAND

## TENERIFE . -

Tenerife is an island of contrasts marked by the fact that it has grown up around the great volcano of El Teide and the mountain range which begins at its summit and forms an elevated crest running from east to west. This geographical feature gives the island abrupt changes in altitude and temperature, as well as changing, diverse climate which can differ from one street to another, and is well-known microclimate. The coast, the mid-slopes and the summit represent the island's three natural ecosystems.

This kind of climate, offering average temperatures of between 20 and 30 degrees year round. The orography and cold ocean current surrounding the Canary Islands ensure that the waters of the Tenerife coast and its beaches always enjoy perfect temperatures with sometimes exceed air temperatures on land.

The island territory is shared by desert landscapes on the coast, subtropical forests on the mid-slopes and summits, and volcanic areas, in particular in the Teide National Park and its volcanic cone, at 3,718 meters is considered to be Spain's tallest mountain. The Island also boasts monumental cities with the most vanguard architecture and black sand beaches flanked by impressive cliffs.

All these features lend a surprising variety to the environments and landscapes which make up the best of natural backdrops, a setting offering almost unlimited possibilities which allows us to be transported to many corners of the world.

We have agreement with **Lonten Tours** Company for discounts in many tours and activities.
