INITIAL GREETINGS, PATRICE BELRHITI

PRESIDENT OF THE FEDERATION OF WADOKAI EUROPE

Ladies, Ladies and Gentlemen,

It is with great pleasure that we welcome you here in Schiltigheim in France for the 50th Wado-kai European Cup.

In fact, this is the 5th time that France has organized our event. The 1st time was in 1988 in Chambéry, then in Paris in 1993 then 1997 then 2007 then 2017 and the 5th time on November 04, 2023 here in Schiltigheim.

For our federation the FWE (wado-kai federation Europe) we also had a few difficult months. Our wado-kai European championship had to be canceled in 2020 following COVID restrictions and despite these hassles, in 2021 we still managed to organize our 48th wado-kai European cup thanks to the German leaders who were kind enough to welcome us despite the health difficulties of the time. A dozen countries participated in this cup in Germany.

For the year 2022, it is thanks to Romania and Mr. Frédéric Tavarès and the President of the Romanian Karate Federation, Mr. Florentin Marinescu that we were able to organize our 49th European Wado-kai Cup in Bucharest.

This is why I would like to thank all the member countries of our wado-kai Europe federation for their participation and investment.

A big thank you also to the Town Hall of Shiltigheim and Madam Mayor Danielle Dambach for welcoming us to this beautiful gymnasium of the Malteries in Shiltigheim. A big thank you also to the French Karate Federation and its president Mr. Francis Didier for agreeing to organize this 50th European Wado-kai Cup.

We are expecting around 20 countries at this major annual meeting with around 400 to 500 competitors. For this 50th edition, there will be... competitors who will compete in the different categories throughout the day on Saturday November 04, 2023.

I warmly thank the countries present for having done what is necessary in order to be able to participate in this 50th European Wado-kai Cup.

I wish everyone a very good competition, all my best wishes and that the best wins.

Patrice Belrhiti

FRANCIS DIDIER

PRESIDENT OF THE FRENCH KARATE FEDERATION

Dear all,

50. This figure represents the number of European Wadokai Cups organized on the continent since 1972. It is a symbolic figure, revealing the success of the discipline and its development since the 1970s.

In France as well, the discipline is developing, as shown through the growing evolution of registered members, competitions, events and training lessons organized throughout the past seasons.

Since the French Karate Federation is contributing to the evolution of French Wado, it is proud to contribute to its international evolution by organizing the 50th edition of the European Wadokai Cup.

The 50th edition but the 6th organized in France. The first was one in 1988 in Chambéry. The 1993, 1997, 2007 and 2017 editions then followed it.

Although the years have passed, the ambition of our federation remains the same: that of offering, to competitors and visitors alike, a show of quality in the spirit of sharing, encounters and exchanges. For the 50th edition, we will as usual, do everything we can to make this event a success and to best welcome the athletes, coaches, officials and spectators who will make the trip.

I want to thank the European Wadokai Federation for their renewed trust in our abilities to organize such an event. A huge thank you as well to the city of Schiltigheim, which gives us the pleasure of hosting this event. And of course, thank you to all the foreign delegations who will come to represent their nation in this European competition: we hope many of them.

We look forward to seeing you again on November 4 to celebrate European wadokai together : see you soon !

Francis Didier

DANIELLE DAMBACH

MAYOR OF SCHILTIGHEIM

The City of Schiltigheim is particularly honored to have been chosen by the French Karate Federation to celebrate the 50th Wado Ryu Karate European Cup 2023. The Malteries gymnasium will welcome nearly 500 karateka from around twenty countries.

Honor, respect, sincerity and humility are some of the values conveyed by Karate that are very important to us.

The Schiltigheim Karate Club has the particularity of being an offshoot of the Léo Lagrange Clubs Association created in 1960. The latter, right from the start, has been able to offer sports and other activities not previously existing in the local and sporting life. Over the years, this group of clubs has been one of the largest associations in the North Sector of Strasbourg, offering both cultural activities (cineclub, photo lab, folk group, Franco-German relations section, etc.) and sports activities (handball, volleyball, gymnastics, trampoline, table tennis, etc.). Among these sports sections, the swimming section was the first to see the light of day with sessions that took place in the once clear waters of the Aare! Later, other activities were added, such as aqua fitness, gym pilates, Krav-Maga, Scrabble and Karate.

The Karate club was created in 1982. Thanks to a qualified team experienced in training techniques, the association trains athletes who respect a certain ethic and a moral code that facilitates knowing how to live in society. What could be more important for our daily life?

We have the privilege of attending this 50th European Cup thanks to the commitment of enthusiasts who, through their support and experience, allow us to experience this magnificent competition.

I would like to thank Mr. Jacquy KNOLL for his unfailing commitment. He has, since the creation of this club, worn his favorite sport by taking on several hats : treasurer, emblematic coach, referee, but also departmental technical director of the Federation.

My thanks also go to Mr. Patrice BELRHITI, President of the Federation of Wadokai Europe and National Manager of Wado-Ryu, former French and European Champion in all categories, bronze medalist at the World Championships. Finally, my thanks go to Mr Jérémy GOETZ, Departmental President of Bas-Rhin Karate.

During the last edition in Bucharest, the French team was placed in 5th place in the general classification. We hope that the "cauldron" of the Malteries will allow us during this edition to reach the podium thanks to the unwavering support of the Schilikoises and Schlikois!

JÉRÉMY GOETZ

**PRESIDENT OF THE BAS RHIN DEPARTMENTAL
COMMITTEE OF KARATE**

It is with great pleasure that we welcome for the first time the Wadokai European Cup. The Departmental Committee of Karate has in heart to organize this event in order to offer to Alsace this beautiful competition, true promotion of the karate through the values conveyed by the martial arts as the generosity or the perseverance.

It is also the opportunity to allow the members and spectators of our department to attend a competition of international scope and to meet high-level athletes.

I would like to thank in particular the city of Schiltigheim as well as the local authorities who support us in the realization of this European Cup. A big thank you to the French Federation Karate Federation, to the decentralized organs and to the volunteers who will make this day a success.

Good day to all and good competition.
