WELCOME MESSAGE – GREETINGS FROM THE FRENCH KARATE FEDERATION PRESIDENT

Dear athletes, coaches, officials, and Krav Maga enthusiasts from around the world,

It is with great pride and enthusiasm that I welcome you to the 2024 World Krav Maga Championships here in France, five years after the first World Krav Maga Championships organized by our federation in 2019. This event represents not only the pinnacle of competition but also the coming together of a global community dedicated to the art of self-defense and discipline.

As the President of the French Karate Federation, I am honored that our country will host this prestigious event. France has a rich tradition in martial arts, and we are excited to showcase our passion, hospitality, and organizational excellence to all participants and spectators. We have worked diligently to create an environment that allows each competitor to perform at their best, to celebrate their skills, and to engage in the spirit of camaraderie that defines our martial arts community.

The World Championships are more than just a competition; they are an opportunity to witness the remarkable skill, dedication, and resilience of athletes from every corner of the globe.

I would like to extend my deepest gratitude to all the volunteers and organizers who have worked tirelessly to make this event possible. Their commitment and dedication are the backbone of these championships.

To all the competitors, I wish you the best of luck. To the coaches, officials, and supporters, thank you for your unwavering support and passion for this sport.

Let us make these championships a memorable experience filled with remarkable performances, new friendships, and a shared love for Krav Maga.

Welcome to Paris, and let the 2024 World Krav Maga Championships begin!

Best regards,

Francis Didier

French Karate Federation President
